Chieftain

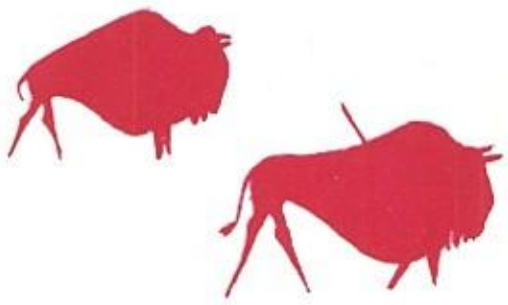
PUBLISHED ANNUALLY BY THE STAFF OF CAPITOL HILL HIGH SCHOOL
GRAND BOULEVARD AT SOUTH WALKER
OKLAHOMA CITY, OKLAHOMA

Dedication

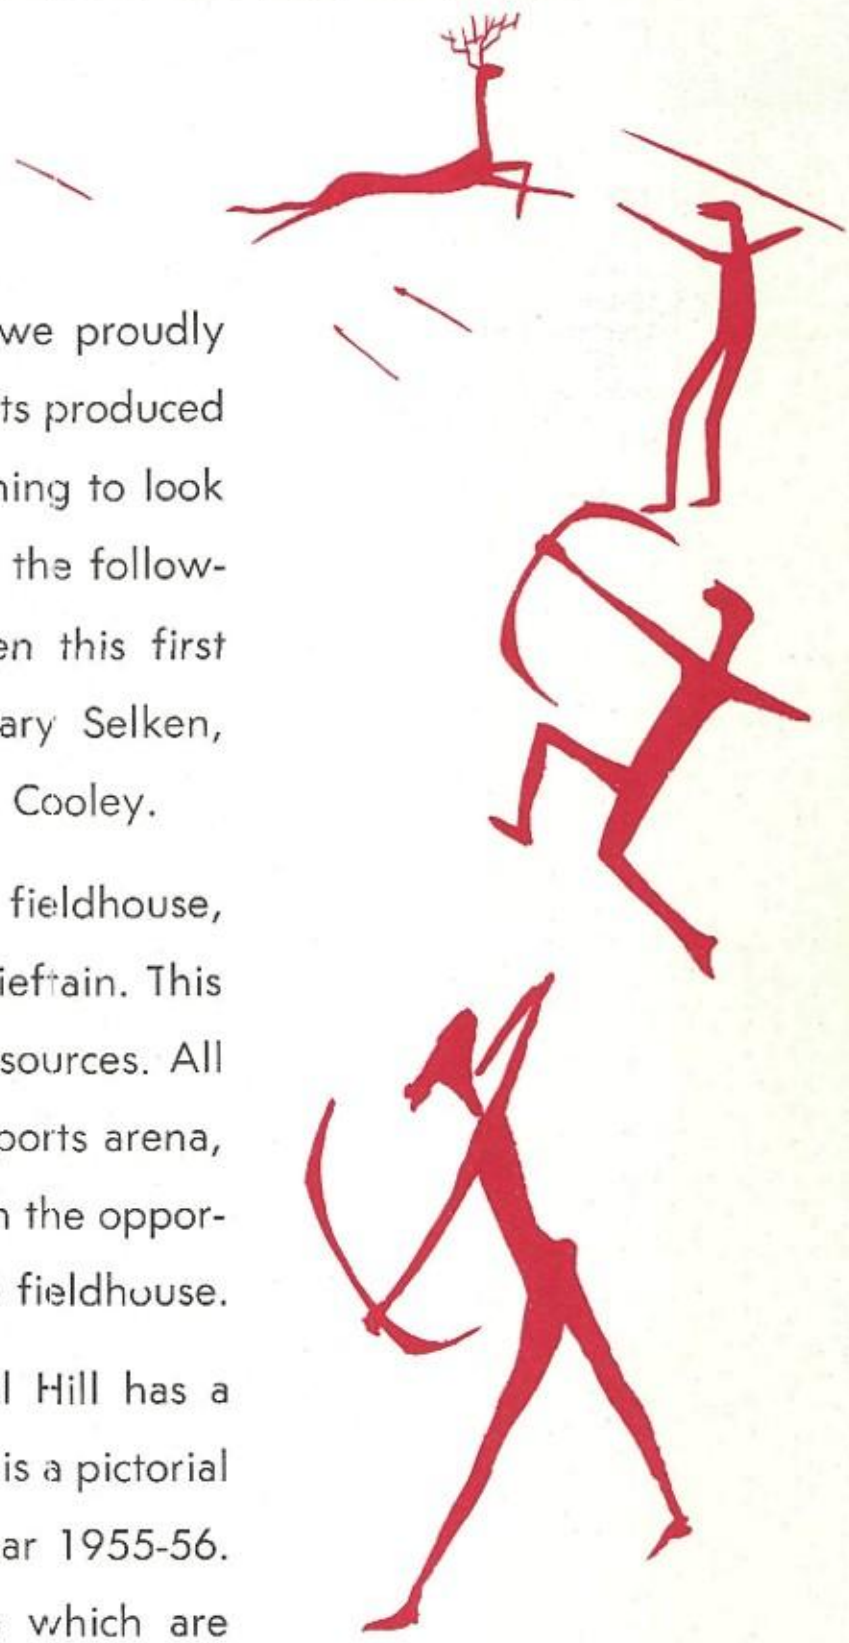
Making Capitol Hill tops in everything has always been his goal. This year as well as in years before he has brought us through many tight spots so that we have remained on top.

He is well-known and loved by many CHHS students. Because of these annd many other outstanding characteristics we proudly dedicate the 1956 Chieftain to the head football coach, Mr. C. B. Speegle.

C. B. SPEEGLE



Foreword



Marking the thirtieth anniversary of the Chieftan, we proudly present the 1956 yearbook. In 1926 Capitol Hill students produced their first prized possession, which has become something to look forward to each year. We would like to pay tribute to the following teachers who were teaching at Capitol Hill when this first yearbook was published: Mrs. Adaline Ball, Miss Mary Selken, Miss Helen Biggers, Miss Nettie B. Lewis, and Mr. D. F. Cooley.

Because CHHS students take great pride in their new fieldhouse, we have used it as our general theme in the 1956 Chieftain. This huge structure was made possible by many different sources. All of OCU's home basketball games were played in the sports arena, as well as Capitol Hill's. Clubs at Capitol Hill were given the opportunity of selling concessions at all games played in the fieldhouse.

With an enrollment of over two thousand, Capitol Hill has a variety of activities. In the pages of the 1956 Chieftain, is a pictorial record of the school happenings during the school year 1955-56. The yearbook is divided into five different sections which are Administration, School Life, Sports, Organizations, and Classes. The Chieftain Staff hopes to have given you a book which you will always cherish and one that you will be very proud to own.

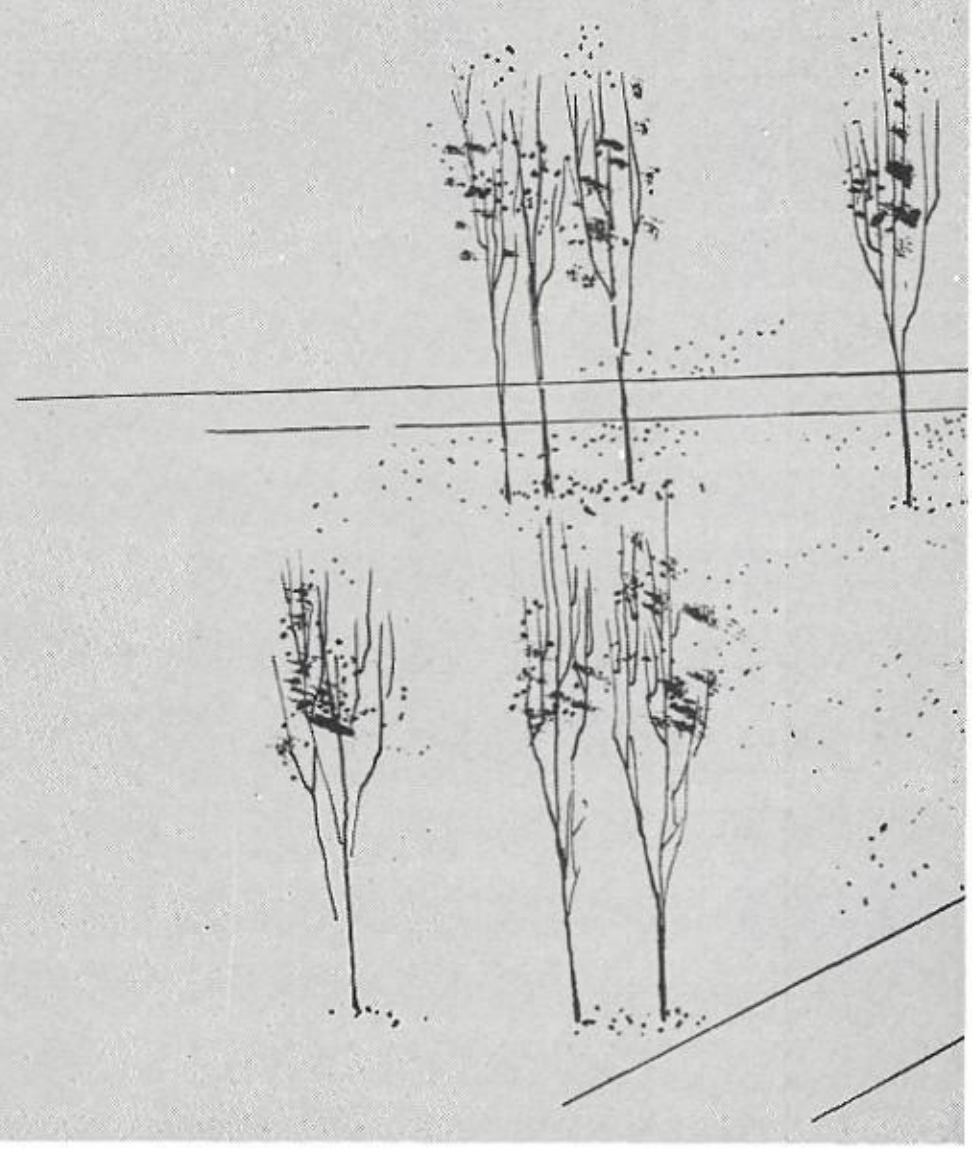
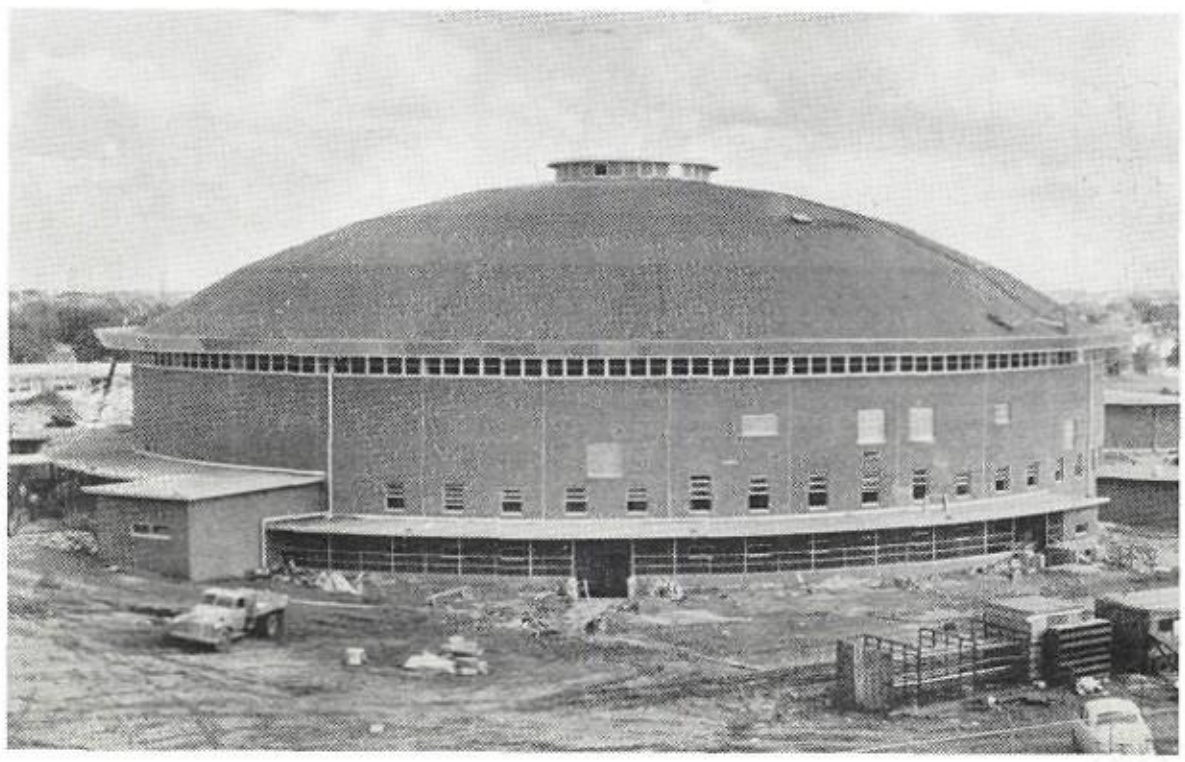
Built to Stand

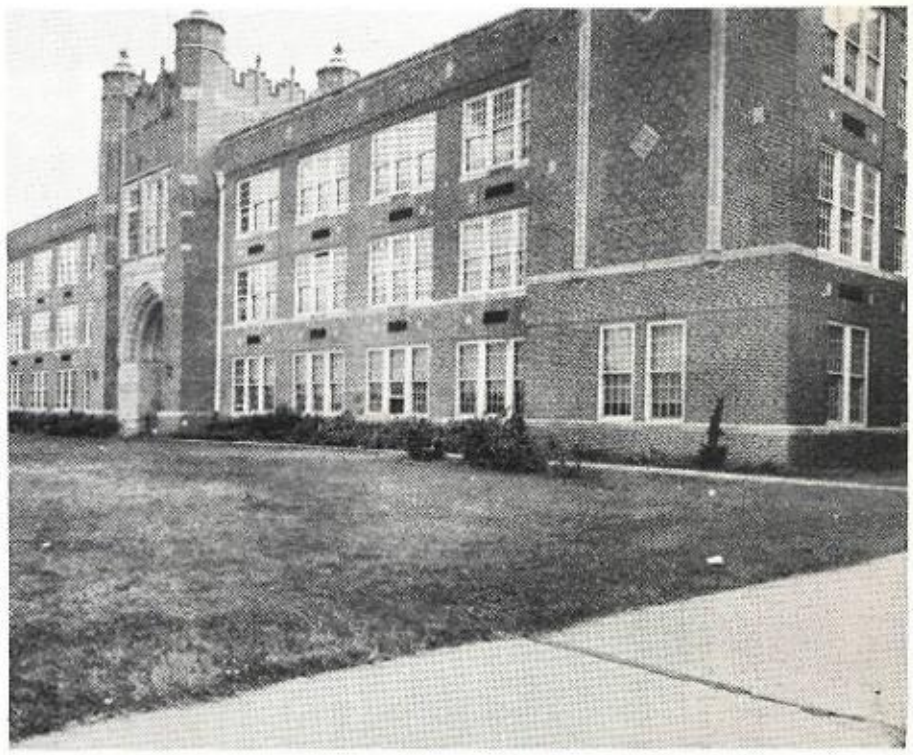


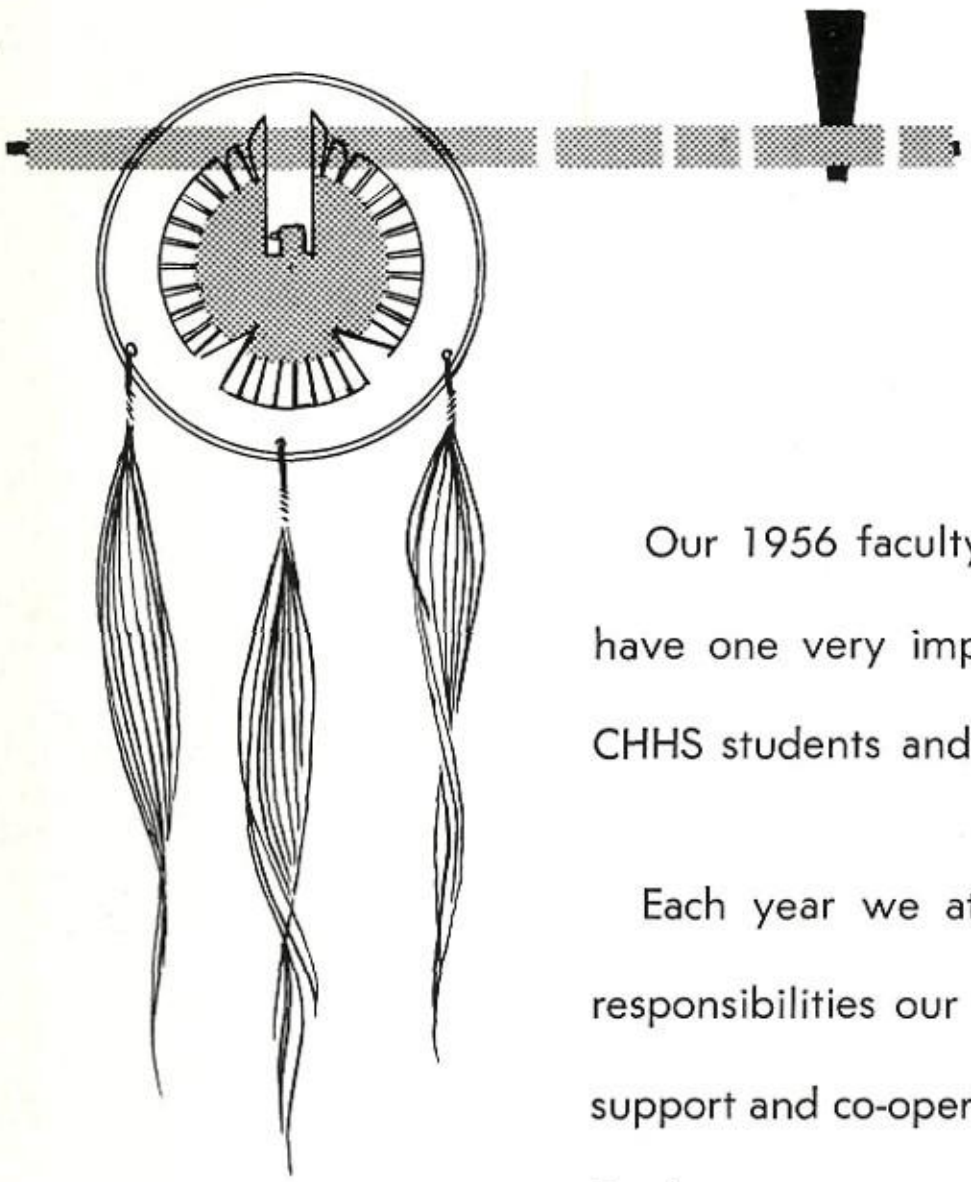
Capitol Hill students boast having an unusual and interesting fieldhouse, which is the only one of its kind in the state of Oklahoma.



Another new attraction to the CHHS campus this year is the agriculture building, located behind the stadium.

Standing proudly is our dear old Alma Mater, as it looks while classes are in session.





Our 1956 faculty may not compare in size, but they do have one very important interest in common, concern for CHHS students and their future careers.

Each year we attempt to recognize the ever-increasing responsibilities our teachers are surrounded with, and their support and co-operation in any school activity we may plan. But how can you express gratitude for leadership, guidance, and encouragement when we need it most, in our highschool decisions. How can you say "thank you" for knowledge and experience we learn, that will be so valuable to us in our later lives.

As this is the thirtieth anniversary of the Chieftain, we would like to pay tribute for the thirtieth time, to those we feel deserve it most, our teachers, for courage and devotion beyond the call of duty.

Administration

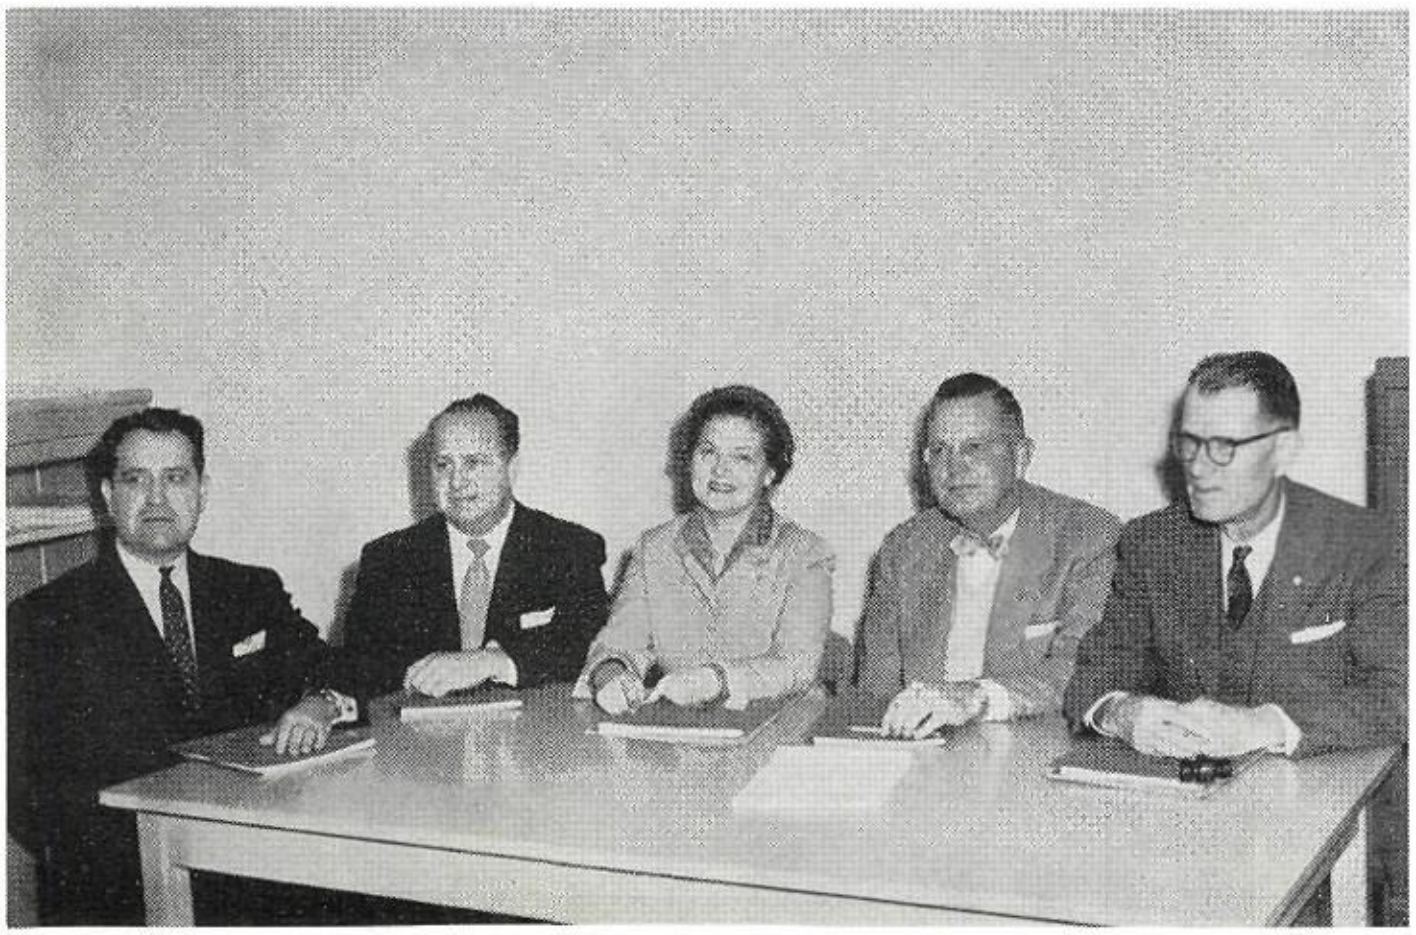
DR. J. CHESTER SWANSON
Superintendent of Oklahoma City Schools

The 1956 publication of the Chieftain Yearbook does not only mark its thirtieth anniversary, but also the completion of our long-awaited field house, of which we could not be prouder.

Undoubtedly much of the credit for its construction originates in our school board. We realize that it could not have been possible otherwise.

Because of their efforts and support in this achievement, we wish to express our sincere gratitude and appreciation

Our leaders were proven to be



Members of the Oklahoma City School Board are responsible for many of our advancements. Seated left to right are, Mr. Phil Bennett, Mr. C. B. McCray, Mrs. L. D. Melton, Mr. Jim Wright, and President, Mr. Otto Thompson.

MR. ALEX HIGDON

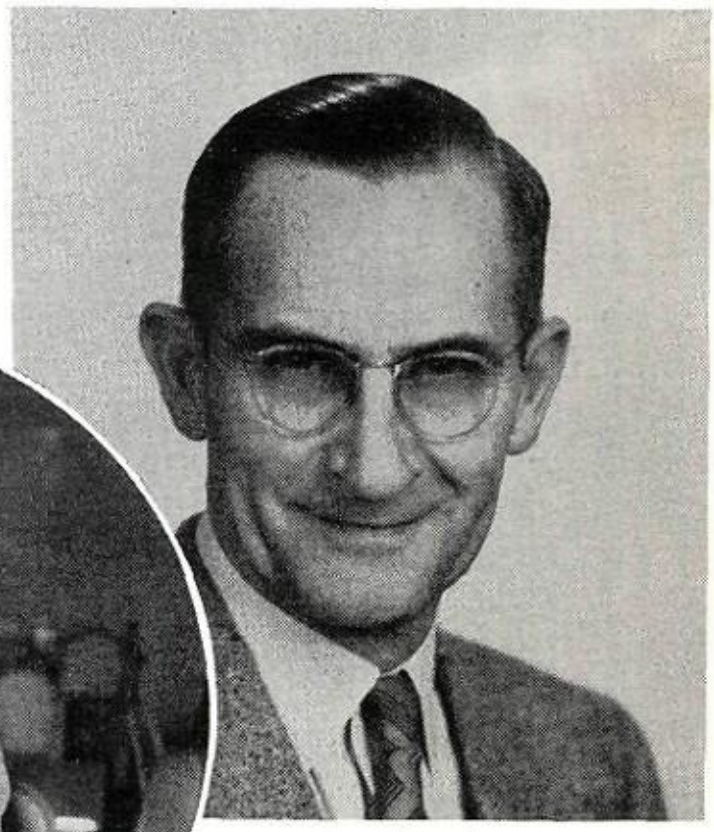
Better known as "our pal," Mr. Alex Higdon has certainly lived up to this title, as far as the CHHS students are concerned.

Mr. Higdon has proved to be an all-round Capitol Hill enthusiast, whether in sports, music, speech, publications or academics, and in any competition he has offered his whole-hearted support.

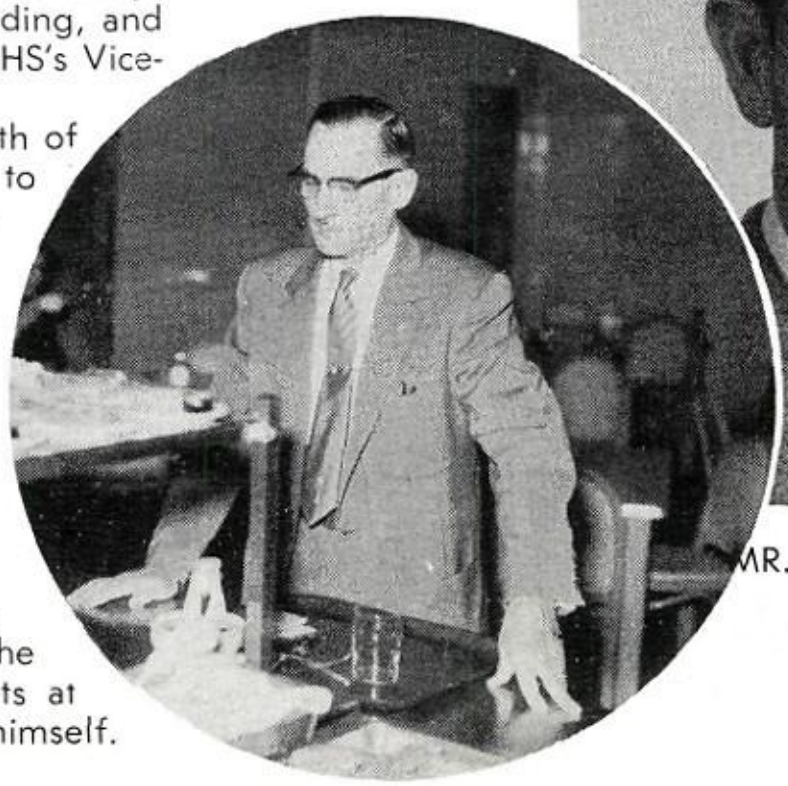
As our principal he has impressed us with the ideas of good sportsmanship standards and the importance of our school reputation.

Mr. Higdon has shown his confidence in us by the many things we have accomplished together, and now we feel it is our turn to say to him "we think you're the greatest."

examples for those of tomorrow



MR. ALONZO ROOP



From a first impression of Mr. Alonzo Roop, you find him to be friendly, understanding, and considerate; and that's exactly what CHHS's Vice-Principal is.

If you're at Capitol Hill for any length of time at all, you have an opportunity to meet and know Mr. Roop; whether it's through making an announcement, being late or absent, or in recognition for something you've done, good or bad. Some of the duties of a vice principal aren't always so pleasant, but this congenial person makes you feel they are. Although it isn't his agreement as a teacher to be a good sport, and to take part in school activities, he always makes a practice of doing so; and in case he isn't aware of the fact, he has made many friends of the students at CHHS, just by being himself.

School life at CHHS is a busy one. The students are on the go constantly for a number of activities.

Beginning of the year's activities started with the pledging for the pep clubs, followed by football season, pep assemblies, bonfires, and after-the-game dances.

The Chieftain Caper's cast presented a very good show, "Wonderful Town," during the month of November. The Christmas season ushered in the annual KRKC Christmas dance, which is the first formal dance of the year. A lovely background of soft music, with blue and silver decorations helped make the dance a success.

The new year brought more sports, which meant more pep assemblies and more dances. Last came the senior activities and graduation. There will be many memories of a fun-filled year.

All these combined make up the life of an average CHHS student.

Chieftain staff members have one of the toughest jobs in school, that of recording events of the year in some semblance of order. Much work and fun goes into the annual each year as staff members devote their spare time as well as class time in taking pictures, identifying them and many other tasks which seem small, but always seem to keep a person busy.

Although most students appreciate their annual, theirs isn't the feeling of pride, joy, and relief when the last book of the year is distributed to the students.

The responsibility of making sure that each and every student gets just recognition for a job well done is that of the Redskin Arrow's.

Keeping tab on various activities of classes and clubs is quite a task in a school as large as Capitol Hill and especially with as many different and varied activities as takes place every day. Not only the large events which everyone hears about, but also the smaller but just as important events are reported by the Arrow staff. The reporters on the paper write about clubs and students so much that they have a feeling of belonging, almost as much as the members of the clubs.

This year members of the staff enjoyed a trip to the National convention in Chicago. The 1955-56 Redskin Arrow won top honors in judging competition at Norman this year.

Perhaps one of the greatest achievements in the history of Capitol Hill is the fine name they have made for themselves in the sports field. This year, as well as in the past, Capitol Hill has come out on top in almost every sport in which they participated.

With the help of their fine coaches, the students are not only taught how to play exceptionally well, but they are taught good sportsmanship. We are very proud of the fact that our boys are good sports and live up to the high standards that are set by the student body.

With the help of the student body, who backed the teams so encouragingly, Capitol Hill again had a very successful sport's year.

Basketball team went

Regular basketball season for CHHS began on December 13 in the new fieldhouse with the Northeast Norsemen as the opponents. The game ended 48-44 with a victory for CHHS. This was quite a comeback after they got off to a slow start in Texas.

In the El Reno tournament, the Redskins won 2 out of 3 games played. The Redskins defeated Midwest City and Northwest Classen in the Regionals to get a crack at Norman in the State Finals. Norman was defeated by the Skins 37-34, but Tulsa Rogers came back with a 56-54 victory in an overtime game to take the trophy.

Even though Capitol Hill didn't take State the boys and whole student body showed great sportsmanship.

was tough to beat

Starting the season with two victories over Midwest City, the Capitol Hill Redskins marched to six consecutive victories before losing a close one to Northeast whom they had previously beaten.

Not following the pattern set before them by other teams this year, the baseballers had a successful season against out-of-state opposition, winning two and losing one against teams from Amarillo, Texas.

The Redskins once again tried the O U Invitational Tournament but after winning four games they dropped one to Norman 4-3 in the semi-finals.

Beating Northwest Classen in Mid-State competition, the Redskins were defeated only by Shawnee in a 3-2 decision at Shawnee, in Mid-State competition.

Dick Soergel, the Redskins fireballing righthander had eight wins to no losses before starting into regional and state play.

Ray Bond was holding down the regular catching spot, with Jerry Davis returning to first base, with Robert Hembree returning with Joel Parkey at second base and shortstop.

Transferee Bill Harrison held down the keystone sack with Berman Goad, Ken Pierce, and James Dobson roaming the outfield.

Coach John Pryor called on Dennis Shaw for several starting roles as pitcher, along with Sophomore Wesley Stark. Top notch relievers were, Bill Harrison, George Routon, and John Tankersly.

Harry Taylor and Sonny Straw were the outstanding tennis players this season. They took first place in the doubles match at Amarillo, Texas, in which teams from Oklahoma, Texas, and New Mexico participated in the open tournament.

Coach L. H. Bengtson's tennis team took first place in the city meet and lost only one match this season. Top junior players for the year were Tommy Morgan and Bill Kendall; top sophomore players were David Klueit and Don Walker. These four underclassmen are expected to be tops at CHHS next year.

Coached by Mr. C. B. Speegle, the golf team has had a fair season. Golf, being one of the minor sports at CHHS, does not have a large number of participants but takes pride in making CHHS complete in all sports.

Practicing this year at the Hill Crest country club the team enjoyed the use of the beautiful golf course.

As usual the golf team had one of the toughest schedules in all Redskins sports.

James "Sug" Lookabaugh, senior, is the only returning letterman to the golf team and is expected to carry a large share of the points

Hopes for the next few years are built on the returning of four sophomores.

The outstanding sophomore golfer is Paul Stanbough who has lettered this year and will be back to lead the Skins golf team to a victory next year.

Another first in CHHS was the wrestling squad coached by Mr. Bill Ryder. The team worked hard all year to keep in shape. The squad was rated number one over all the first year wrestling squads. Winning only one match all season against Del City. The high point man on the squad was Jim Blackmon, 123 pound class. The team was proud of their new regulation mat which they got at the first of the year. The squad hopes for a better season next year.

ball swung into motion at CHHS

Coached by Mr. Bob Hill the volleyball team, along with the wrestling squad coached by Mr. Bill Ryder, were two new sports in CHHS. The volleyball team was state runner up, being defeated by Vera, the state champs. This was the only team to defeat the volleyballers. The team won a trophy; this is the only trophy for the volleyball team. The team beat Southeast to win Regionals, then were defeated by Vera in the state finals.

New standards were developed by the Women's Athletic Association this year to be used by every sports department in the city. Adapting to these standards proved to be a high goal which had to be reached by all members of the teams.

Since softball season was first, the first goal was set but was not quite reached. By these new standards, a certain loss puts any team out of the running. The loss Capitol Hill had, was to Classen.

We salute our clubs at Capitol Hill, as they are the backbone of all the school activities. CHHS is proud of the fact that it has such a variety of clubs to offer its students.

Some organizations were formed primarily for the purpose of developing good citizenship, some for promoting school spirit, and some for training in vocations. While there are still others that are formed as honorary clubs in specific fields. Whatever reason they are formed for, these various clubs are of benefit to the students either now or in later years.

We, hereby, pay tribute to the organizations at Capitol Hill for functioning so well throughout the 1955-56 school year as well as through the summer months.

At last we are making the final steps on the ladder. Our senior year is almost completed. As we look back through the three years, we realize what a short time it has actually been. This year has been filled with a lot of work for all of us, but we can't forget all of the fun we have had too.

Our sponsors have worked with us during the latter part of the year, planning our picnic, banquet, breakfast, assembly and most of all our graduation exercises. Soon we will be attending the Baccalaureate service for our class of 1956. And in later years as we look back on all of these things, no matter what field we have chosen, we certainly will have these "Moments to Remember."

Carolyn Snell and Lee Ann Toumbs take time out of their teams class to sneak a look at the fieldhouse before its completion. Everyone was inquisitive as to the interior of this extraordinary building.

Though it brought some of us some inconvenience during the construction period, everyone will agree that it was well worth it upon completion of our new fieldhouse. It has brought honor to our school and everyone takes pride in this massive building.

A good deal of information may be obtained from our counselors. Barbara Utley and Rose Ann Roberts are seen here talking with Mr. Alvin Freiberger. The counselors can give students advice as to what college will best prepare them for their chosen occupation.

Deciding upon a college to enter upon graduation from high school is often a hard decision to make. Zetta Johnson and Ada Belle Sapp find that the bulletins in the counselors office give a great deal of information on colleges throughout the state and also some of the out-of-state colleges.

Since graduation is an important event in one's life and one that happens only once, girls naturally have some trouble finding a dress that is "just right." Trying to decide on her graduation is Jolene Tate. Helping her decide is her cousin.

As the married students at CHHS can tell you there is considerable expense tied up with graduation. Planning their budget for some of these expenses are Billie Jo and Paul Nunley. Billie Jo is the former Billie Jo Coyle.

As the year ended and studies piled up, we found ourselves busier than ever before. The CHHS printing department handled much of our printed material. James Moore and Roscoe Mitchell prepare to print the programs fo the senior activities.

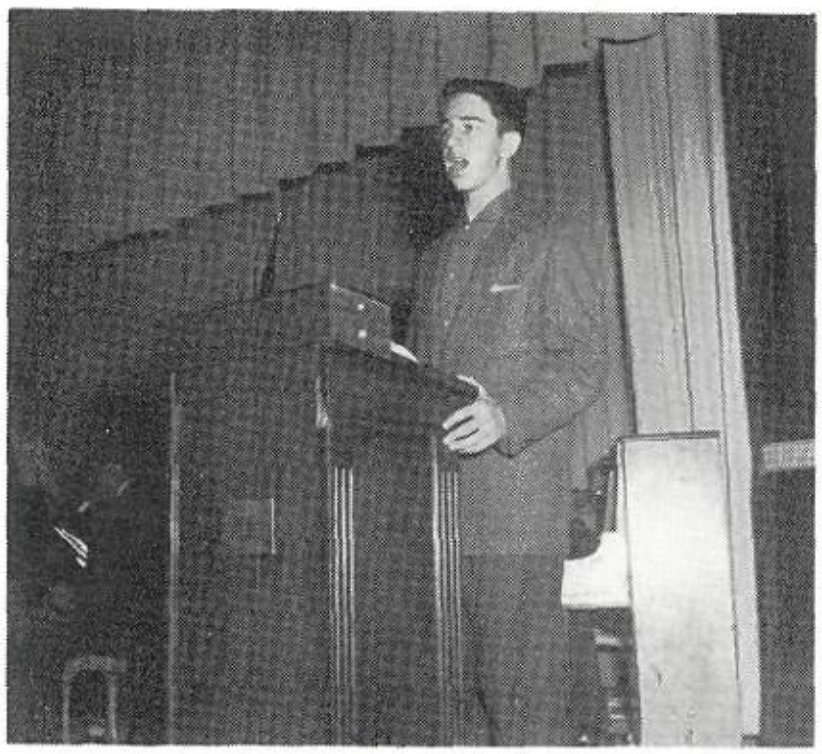
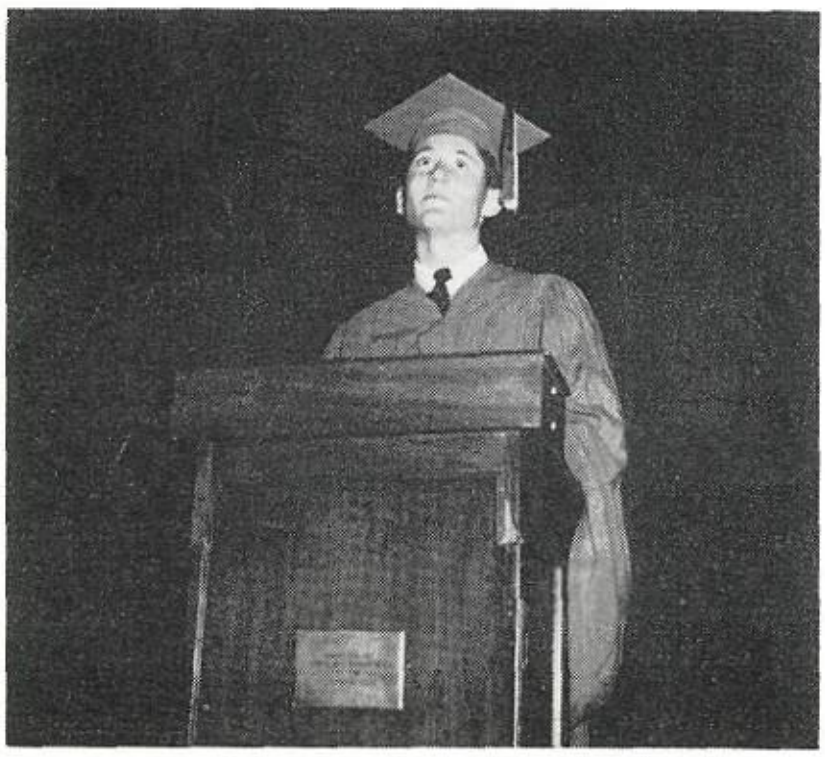
Some won't forget the friendly chats that they had with their teachers. It looks like Mrs. Adaline Ball is laying down the law to Calvin "Sam" McLain as she talks to him between classes.



The Chieftain Capers had a good cast this year who put a lot of work into the production. A scene for the show is pictured here as Jerry Davis sings "Autumn Leaves," a song for the Capers.

"We will have these

Towards the end of the year we had a few serious moments along with all of the fun. Bob Merson is seen here presiding at one of the last assemblies for the seniors.



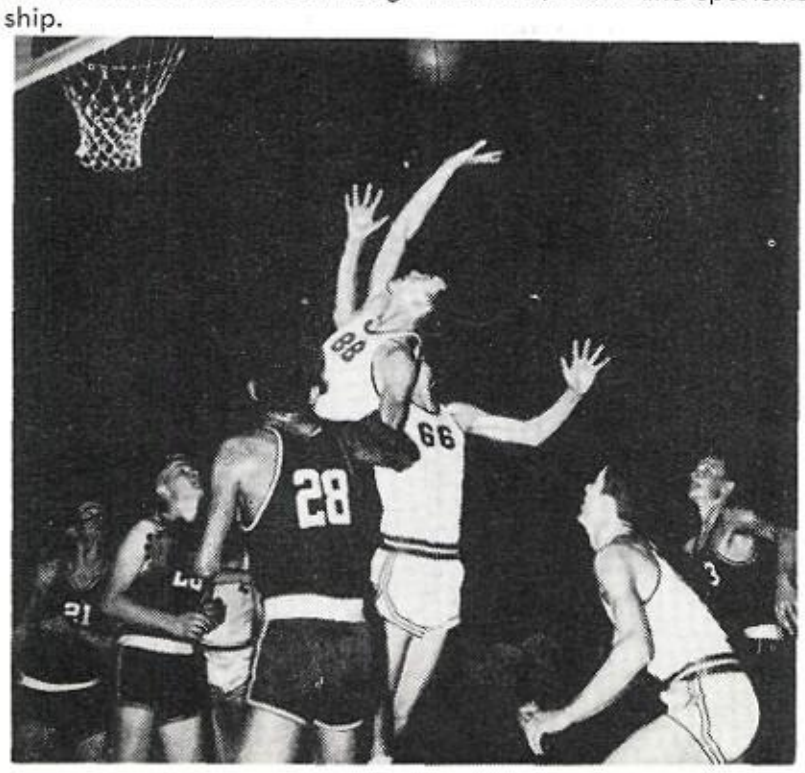
These three popular girls, Nancy Thomasson, Jolene Tate and Carolyn Laubhan, sang in one of our assemblies. They sang several of the popular tunes of the year.

During the year the CHHS speech department has won many honors in various contests throughout the state. LaNelle Schreck, Lavern Sutton, Maxine Layman, Bobby Bean, Bryan Floyd and Jimmy Kelley admire a new trophy.

What other way is there to generate pep to surge the Redskin teams on to victory than a parade of yells. We won't soon forget marching down the streets yelling with the pep clubs at the top of their lungs.

'Moments to Remember'"

During our three years at CHHS the basketball teams have been excellent. None of us can forget the excitement aroused by the state playoffs. Though we lost state by a narrow margin, Capitol Hill remained victorious through their hard work and sportsmanship.



A new addition to the cafeteria was the Juke Box. Enjoying a coke while they listen to the latest songs are the senior class officers. They are Bob Merson, president, Beverley Baldwin, vice-president, and Rosalie Stow, secretary.

We know that this is a challenge to us for we have the responsibility ot upholding the spirit and the reputation of our school. As this school year comes to a close, Sophomores recall all the important events which made it a happy and profitable year.

We all remember the first hectic days, "Oh, so confusing." Then what a whirlwind followed —school election of class officers. We endured those days — somehow! "Great!" were the kapers, dances, and sports which we backed eagerly. "Wow!" was the explanation of pledging. "Indispensable" describes the patient teachers who somehow endured the year with us. "Endurable" were the pranks and jokes of the upperclassmen.

These happy hours will last forever as a momento of our Sophomore year.
